allows users to race against fellow players online while multiplayer games offer quicker than single player racing games, having a selection of events that can be done in a single race. Instead of putting players in a random vehicle to race with, the player can choose the vehicle type and select races to win. Racers is RaceRoom Racing Experience's main game and is a simulation that focuses on driving and racing. The in-game engine is inspired by the racing series "Formula One," which is similar to "Supercars," that also takes place in Australia. Both racing series are included in Racer's mode, which has over 150 various car types. The selection of cars includes a wide range of choices, such as muscle cars, sports cars, exotic cars, and more. Racer's mode is where single player and online

multiplayer racing games come to life. There are 50 different events for a single player, and an even larger selection of events available for multiplayer races, such as endurance events, drag races, showdowns, and more. Players can choose their vehicle, make and race against others, as well as race against the clock. The game incorporates both a simulation of Formula One racing and Supercars, and features many features from both. Players can test their skills in a single race, or compete in a series of events. Races go in real time, with the game displaying the car frame to see where it is at at the moment, how much fuel it has left, and whether it is in danger of crashing. Players can also

These pets are in danger Puppy in Northern Highlands is Missing, Shelter Says It's pretty heartbreaking. A puppy from the Northern Highlands is missing and the shelter is asking for help to find her. She is a ball of energy. She is playful and she is just about the cutest little puppy. This little puppy has been missing from the shelter for about 10 days now and the shelter is still working on figuring out what happened. The shelter

says it was sometime between 7 and 7:30 on Saturday morning the pup got out of the outdoor kennel. They believe the puppy may be in great shape and she may not be able to find her way back to the shelter. “We are asking anyone who sees the missing pup to please contact us or the sheriff’s department so that we can get to her safely and safely reunite her with her family,” says Maureen MacDonald with the Michigan Humane Society. The shelter is asking that if you see the puppy, please call their office at 616.424.3214. More tips for finding a lost dog? If you have the dog’s microchip number, it can help to know where to start. Next, search and rescue flyers are posted throughout the community for the missing dog. Shelter staff also put up posters around the area and ask neighbors to help. Other
